

Dan Reigstad began in Law Enforcement in 1992 with the Longview Police Department after serving almost nine years in combat and combat training units throughout the world in the U.S. Army. While with Longview PD, Dan served as a Telecommunications Operator, Patrol Officer, Field Training Officer, Uniformed Crime Scene Investigator, Senior Physical Evidence Detective and Senior Latent Print Examiner. Dan retired from Longview PD in 2015 with over twenty years of experience processing crime scenes throughout east Texas.

Dan began as a part-time Instructor with the East Texas Police Academy in 2002, and became a full-time Instructor in 2015 after retiring from Longview PD. Dan has extensive training and has testified as an expert witness throughout Texas in crime scene processing and documentation, fingerprint processing and identification, forensic and night-time photography, shooting reconstruction and bloodstain analysis.

Dan is a Certified Latent Print Examiner with the IAI, and is the current Chairman of the Latent Print Certification Committee of the Texas Division of the IAI. Dan is also a Registered Fellow with the Fingerprint Society of the United Kingdom, and is an active member of numerous professional forensic associations.

Dan holds numerous certificates, including: TCOLE Master Peace Officer; Advanced Instructor; Firearms Instructor; and Dan is a trained Police Emergency Vehicle Driving Instructor through Texas A&M TEEX.
